

ALLERGEN INFORMATION

(ALLERGEN CROSS-CONTAMINATION RISK WARNING)

Dear Customer,

Please be reminded that FOUR STAR PIZZA handles products that contain some of the 14 E.U. listed allergens. The allergens listed below are ingredients of foods on the menu.

The allergens listed below may not be in a particular menu item but could still be present in traces even though very effort is made to minimise the risk of allergenic foods coming into contact with non-allergenic foods. This could occur as all our foods are handled and cooked in the same kitchen

WHEAT, OATS & BARLEY (CONTAINING GLUTEN)

EGGS

FISH

SOYA

MILK

CELERY

MUSTARD

TREE NUTS, HAZELNUTS

SULPHUR DIOXIDE/SULPHITES

* **SESAME** is not a full ingredient in our foods, but some ingredients MAY contain traces.

If you require any further information regarding allergens, please consult the menu or ask a member of staff for assistance.
